

# Headache/Migraine Patient Intake Form

If you have any questions about your headaches/migraines, talk to your doctor

First name \_\_\_\_\_ Middle \_\_\_\_\_ Last name \_\_\_\_\_  
DOB \_\_\_\_\_ Today's date \_\_\_\_\_ Years experiencing headache/migraine \_\_\_\_\_

## Headache/Migraine Intensity

Using the face icons as a guide, place an **X** on each line to indicate your headache/migraine intensity.

1. How strong is your **headache/migraine** intensity today?

2. How strong is the pain intensity during your **least severe** headache day?

3. How strong is the pain intensity during your **most severe** migraine day?

## Headache/Migraine Frequency

1. On average, how many **days per month** have you had **headache/migraine** in the past 3 months?

Headache days: \_\_\_\_\_

(Less severe headaches still count)

Migraine days: \_\_\_\_\_

(These days often include symptoms like nausea and pain in 1 side of the head)

2. On average, how many **months** have you had this many headaches/migraines in the last year?

0-3 months

4-6 months

7-9 months

10-12 months

3. On average, how many **days per month** are you completely **headache-/migraine-free**? (No headache or migraine at all.)

Headache-free days: \_\_\_\_\_

Migraine-free days: \_\_\_\_\_

4. On average, what is the **duration** of your headache/migraine?

Fewer than 4 hours

4 or more hours
